

TIMBER & ALLIED SERVICES LTD

Oriented Strand Board

OSB 2

OSB 2 is incredibly strong and versatile ideal for domestic uses such as furniture, garden sheds, as well as for boarding up windows, packaging, and pallettops and sign boards. Conforms to EN300, OSB2.

OSB 2	
Available Thicknesses [mm]	Panel SIZES [mm]
8mm	2440 x 1220
11mm	2440 x 1220
15mm	2440 x 1220
18mm	2440 x 1220

OSB 3

OSB 3 is manufactured with a higher wood resin and moisture content making it suitable for structural use in humid environments. Ideal uses include flat and pitched roofs, flooring, boarding, partitions and as part of a timber frame construction. Conforms to EN300, OSB3.
